Item 13: Principles for the Nomination Committee and election of the Nomination Committee

Ahead of the 2022 Annual General Meeting, the Nomination Committee proposes that the Annual General Meeting resolve that the company apply the same procedures as those applied in the preceding year and that the Annual General Meeting appoint the members of the Nomination Committee. This motion entails that the Nomination Committee would comprise Chairman of the Board Johan Wall, Anders G. Carlberg as representative of the principal owner, and three representatives of the next largest shareholders who have indicated their willingness to participate in the Nomination Committee, namely Jonathan Schönbäck (Odin Fonder), Mats Gustafsson (Lannebo Fonder) and Malin Björkmo (Handelsbanken Fonder). Anders G. Carlberg is nominated as Chairman of the Nomination Committee.

The Nomination Committee will submit motions concerning the Board of Directors, the Chairman of the Board, directors' fees, committee fees, auditors, auditors' fees and the Chairman of the Annual General Meeting.

Should such action be deemed appropriate due to ownership changes, the Nomination Committee is entitled to offer additional shareholders positions on the Nomination Committee, although the total number of members may not exceed six. Should a member of the Nomination Committee resign from the Committee before the Committee's work is completed, and the Nomination Committee deems such action necessary, the Nomination Committee may request that the same shareholder or, if this shareholder is no longer among the largest shareholders, the next largest shareholder appoints a replacement. Members of the Nomination Committee will not receive a fee, but any expenses that arise during the nominating procedure shall be paid by the company. Changes to the composition of the Nomination Committee are to be disclosed immediately. The mandate period of the Nomination Committee extends until a new Nomination Committee is appointed at the next Annual General Meeting.

Item 14: Authorization to issue shares

The Board of Directors proposes that the Annual General Meeting resolve to authorize the Board, on one or more occasions until the next Annual General Meeting, disapplying the shareholders' preferential rights, to decide on issues of new Class B shares or convertible debentures carrying the right to new Class B shares, but that such issues may not cause the company's registered share capital on the date of the Annual General Meeting to increase by more than a total of 10 percent. The Board will also be entitled to make decisions in cases when contributions may be made with assets other than money (non-cash issue), with the right to offset debt or according to other terms.

The authorization pertains only to corporate acquisitions, which is the reason for the deviation from the shareholders' preferential rights. The Board of Directors, or a party appointed by the Board of Directors, is to be entitled to make any minor adjustments that may be required in connection with the registration of the resolution with the Swedish Companies Registration Office and Euroclear.

To be valid, a resolution must be supported by shareholders representing not less than two-thirds of both the votes cast and the shares represented at the Meeting.

Item 15: Presentation of the Board's remuneration report for approval

The Board proposes that the Annual General Meeting resolve to approve the remuneration report prepared by the Board for the 2020 financial year.

Item 16: Amendment of Articles of Association

Chapter 7, Section 4 of the Swedish Companies Act (2005:551) states that the Board of Directors may collect power of attorney forms prior to a General Meeting of Shareholders if this is stated in the agenda. Chapter 7, Section 4 a of the Swedish Companies Act states that the Articles of Association may stipulate that the Board of Directors may decide, prior to a General Meeting, that the shareholders be permitted to exercise their voting rights by post prior to the General Meeting.

In order to utilize the alternatives permitted by the Swedish Companies Act regarding the collection of powers of attorney and postal voting, the Board proposes that a new Article 10, with the following wording, be added to the Articles of Association:

Article 10 Collection of powers of attorney and postal voting

The Board of Directors may collect powers of attorney in accordance with the procedures specified in Chapter 7, Section 4, Paragraph 2 of the Swedish Companies Act (2005:551).

The Board of Directors may decide, prior to a General Meeting of Shareholders, that the shareholders be permitted to exercise their voting rights by post prior to the General Meeting in accordance with Chapter 7, Section 4 a of the Swedish Companies Act (2005:551).

The Board also proposes that the minimum number of Board members stipulated in the Articles of Association be lowered from seven to five members and that Article 6 of the Articles of Association therefore be amended to the following wording:

Article 6 Board of Directors

The Board of Directors is to consist of not less than five and not more than ten members, with not more than two alternates.

It is also proposed that Article 7 Signatories be removed.

Finally, the Board proposes that the word "name" in Article 1 be replaced with the phrase "company name" due to legislative changes and the word "shall" be consistently changed to "is/are to".

As a consequence of the removal of one paragraph (Article 7) and the addition of a new paragraph (Article 10), it is proposed that the intermediate paragraphs be renumbered, whereby the previous Article 8 will become Article 7, the previous Article 9 will become Article 8 and the previous Article 10 will become Article 9.

The Board of Directors, or a party appointed by the Board of Directors, is to be entitled to make any minor adjustments that may be required in connection with the registration of the resolution with the Swedish Companies Registration Office and Euroclear.

To be valid, a resolution must be supported by shareholders representing not less than two-thirds of both the votes cast and the shares represented at the Meeting.
